Le Peewit Sauvignon Gris 2024, Côtes de Gascogne

Usual Price	£10.99
Discount Price (inc. VAT)	£8.99
Code	PEEW001

A new white wine for you to try - the wonderfully fresh and zippy Peewit! Each winter, the Peewit (Northern Lapwing) migrates from the UK to the more temperate and stunningly beautiful region of Gascony in southwest France. It is here that the grapes for this aromatic and fruity Sauvignon Gris are grown.

Tasting Notes:

In the glass, it shows a pale-yellow hue with subtle green reflections. The nose is vibrant and intensely aromatic, bursting with citrus and grapefruit, lifted by notes of pineapple and vine peach. On the palate, it is fresh and lively, with beautifully balanced acidity and a long, elegant finish.

Specification	
Vinification	An early-ripening variety, Sauvignon Gris is harvested at night in early September, when cooler temperatures help preserve its delicate aromatics. The grapes undergo cold maceration to draw out their expressive varietal character, followed by gentle pneumatic pressing to maintain the purity of the juice. Fermentation is carried out slowly at low temperatures in stainless-steel tanks, and the wine is then aged for four months on fine lees before bottling.

Press Comments	Silver Medal - London Wine Competition 2026. Brian Elliott, MidWeek Wines, August 2025: "An exceptional white from SW France. We are accustomed to that region using less familiar grapes but, even there, sauvignon gris is not grown widely. Despite that rarity, this is impressive wine (from Gascogne incidentally) bringing us striking and fresh white currant, greengage and apple flavours. These are neatly supported by zesty acidity within a creamy texture that also displays nectarine traces." Gold Medal - Berliner Wine Trophy, 2025. Read more online
