### Tasting Notes:

With its bright ruby-red colour, intense scents of red berries and rose petals are clearly distinguishable on the nose, while on the palate the taste is full-bodied and enveloping, characterised by dense tannins and a vibrant acidity which make this a highly pleasant and enjoyable wine.

# HOUSE OF TOWNEND

FAMILY WINE MERCHANTS SINCE 1906

Specification	
Vinification	The different varietals were fermented separately in small steel tanks to maintain their varietal characteristics. The alcoholic fermentation was followed by malolactic fermentation, again in steel tanks. The wine was then aged for 10 months, partly in barrique used previously for Ornellaia and partly in concrete tanks, to obtain the perfect balance between tannic structure and an expression of fresh fruit.
