Lochlea Distillery Cask Strength (Second Release) Single Malt Whisky

Price	£64.95
Code	LOCH110

Cask Strength Batch 2 is the second in a series of annual limited-edition bottlings. Each batch will be bottled straight from the casks without water, like trying samples from the warehouse itself! Cask Strength Batch 2 showcases something entirely new from Lochlea, as Production Director John Campbell has selected a combination of Oloroso Sherry, STR and PX casks.

Tasting Notes:

This whisky opens with apples, peach syrup, and marmalade. Then comes wild lavender and rose petals on the palate. The finish is long and continues with more fruit and a hint of black pepper.
