Developed by the infamous Luxardo family of Italy comes a fine Black Sambuca. A variation of the traditional Sambuca dei Cesari Luxardo; it is aromatised with liquorice, with a production recipe entailing several levels of successive infusions to blend the different ingredients.

The predominant taste is star anise. However, it is combined with a new velvety sensation on the palate, with light spicy hints of cardamom and coriander, and an after-taste where the typical digestive aromas of liquorice predominate.
