Assembled from 7 different plots, which form 3 distinct cuvees, subsequently blended after fermentation, all with differing aspects of soil, microclimate and aspect. This wine is enriched by grapes produced from the lieux–dits vineyards of Les Casse Têtes and Limozin near Volnay, which give an added richness and intensity.

A beautifully defined bouquet with notes of nuts and honey, the palate is succulent, rich and creamy, more in the old style of Michelot. This takes me back! There is opulence and fatness, a trait of the 2023 vintage, but there is balance too with a lemon zest streak laced through the core. Beautiful!
