Monin Syrup Tangerine

Price	£11.99
Code	MONI210

Tangerine or mandarin? Actually, all tangerines are mandarins. The term “tangerine” has no botanical meaning and the two names can be used interchangeably. The tangerine is an orange coloured citrus fruit. They look like clementines or small oranges, but the taste is often sourer, or tarter, than that of an orange.

Tasting Notes:

All subtle sweetness of fresh tangerine fruit.
