Moselland Riesling Kabinett

Price: £9.99
Product Code: MOSE001

Description:

There is no other river which has had more impact than the Mosel on the evolution of viticulture in Germany. Ever since the Roman era vines have grown here on steep slopes surrounded by a spectacular landscape. The interplay of slate, sunshine and vines create a distinctive taste profile. First and foremost stands Riesling, which inspires wine experts from around the world.

Tasting Notes:

The fresh, balanced taste of Mosselland Riesling is achieved by carefully selecting grapes from vineyards throughout the Mosel. The steep slope of the Lower mosel give the wine its minerality whilst the Middle Mosel provides a hint of spice to complement the characteristic peach flavours of the Upper Mosel. A fragrant, fresh wine with the Riesling-typical fruity flavours of lime and green apple. The characteristic mineral aromas and a refreshing crispness make it very easy to enjoy.
