This rare and refined wine shows the exceptional Pinot Noir character of one of Nyetimber's most celebrated vineyards.

#### Tasting Notes:

A light gold colour with very fine bubbles. On the nose, aromas of wild strawberry and a delicate floral bouquet lead into richer notes of pastry and praline. The palate is generous yet refined, with red apple and apricot complemented by hints of fresh citrus. Fruit and complex almond characters persist in a long and finish.

Specification	
<b>Vinification</b>	A warm start to the year saw a slightly earlier budburst than average. Fine and warm weather continued through to July, with good and timely flowering and fruitset. A cooler August followed, slightly delaying veraison, but a warm September led to gradual ripening of all three varieties before harvest began in the first week of October. Overall, the warm, fine conditions of the growing season led to an excellent quality harvest with ripe fruit flavours and beautifully balanced acidity.
