A really startling and profoundly enjoyable red with lush fruits and soft integrated tannins. The grapes for this wine come from old Carignan vines, some of which are up to 80 years old.

Tasting Notes:

Purple red with lovely aromas of blackberry and vanilla. Dense and velvety, intense red berries and a lingering finish.

Specification

Vinification Once the grapes have been harvested, stems are completely removed. At which point a portion of the crop undergoes flash-detente to extract colour, tannins and fruity aromas. This is followed by gentle pressing to liberate the juice, which then undergoes traditional fermentation. The other portion follows a traditional winemaking process. 50% of the wine is aged using French oak for five months. The wines are then blended before being bottled.

Press Comments Gold Medal - Berliner Wine Trophy, 2025. Wine Merchant Top 100 2023, Highly Commended. Brian Elliott, Midweek Wines October 2022: "Back in the day, carignan (like monastrell, originally Spanish) was the "go-to" grape for bulk wine from southern France. With old vines and low yields, however, it can produce delightfully soft and flavoursome red wine, like this, without losing its regional identity. Nutty with liquorice influences, this example has smooth raspberry and prune elements with aniseed within an otherwise savoury finish."
