Pennington's Lakeland Moon Rhubarb Gin 70cl

Price	£27.99
Code	KEND065

We have carefully selected the finest English rhubarb stems to infuse with Pennington's Gin to create this delightfully aromatic, naturally pink and vibrant liqueur. We then add even more fresh and fruity rhubarb juice into every bottle so they're jam-packed with this British classic. The classic tart Rhubarb flavour is then balanced with a hint of sugar to deliver an utterly succulent spirit that screams English summertime.

Tasting Notes:

An abundance of rhubarb notes on the nose are complemented by a delicate gin base and the sweetness from sugar to carefully balance the tart rhubarb.
