HOUSE OF TOWNEND

Pinkster Gin

Price	£35.49
Code	PINK001

Pinkster is brought to us by the rather affable colonel Pinkster. Pinkster is distilled to the company's own recipe using 5 botanicals before being hand-steeped in the raspberries that lend it both its pink hue and subtle fruitiness.

Tasting Notes:

Pinkster is deliciously dry, the juniper comes through clearly with only 5 botanicals, but it is neither strong nor overpowering. Instead, the raspberries counteract its sharpness with a gentle fruity flavour. Ends with a wonderfully smooth finish.
