This historical gin, renowned for its superior quality, has been distilled on the same site since 1793 at The Black Friar's Distillery located a short distance from Plymouth Harbour; a famous departure point for Britain's most renowned explorers.

Tasting Notes:

Plymouth Gin has a great depth of flavour with deep earthy notes and a wonderfully fresh juniper and lemony bite. It has a slight sweetness with extraordinary concentration and complexity. No single botanical dominates the overall flavour. The finish is long and dry.
