Ableforth's Bathtub Gin

Price	£35.49
Code	BATH001

An extraordinary award-winning gin, produced by the enigmatic Professor Cornelius Ampleforth. This gin is made in ultra-small batches, and the length of the compounding period is controlled entirely by periodic sampling. The result is an extraordinary gin, lightly tinted by the botanicals, and with a flavour which is both bold, and perfumed at the same time.

Tasting Notes:

The use of the spiced botanicals (coriander, cloves and cardamom) adds a great depth to the drink whilst creating a creamy mouth feel.
