

HOUSE OF TOWNEND

FAMILY WINE MERCHANTS SINCE 1906

Rare Bird Rhubarb & Ginger Gin

Price	£39.49
Code	RARE005

The second edition to the Rare Bird collection, Rhubarb and Ginger. A quintessentially Yorkshire flavour, using real rhubarb and ginger.

Tasting Notes:

Made using real pieces of rhubarb and a base of their London dry, this Gin packs a punch, with a strong Rhubarb hit and a warm end of Ginger. This one is different to the others you may have tried; it is sugar free, meaning a warmer flavour, and a stronger taste.
