Rock Rose Gin

Price	£37.49
Code	ROCK070

Rock Rose gin gets its wonderful flavour from a carefully selected and put together creation of local and traditional botanicals. Each one meticulously chosen for their flavour properties to create the perfect taste!

Tasting Notes:

Rock Rose Gin gets its name from the botanical *Rhodiola rosea*, literally a rose that grows in the rocks. The botanicals are foraged along the cliffs of the Pentland Firth. The flavour of Rock Rose is unsurprisingly a touch sweet, heathery and so unique.
