This devilishly delicious Rosé is inspired by the story of a devil disguised as a winegrower, giving in to temptation and stealing grapes from the vines of Saint Mont. A wonderfully round and fresh wine, it is rather different from other rosés on the market, produced from a blend of Tannat, Pinenc and Cabernet Sauvignon grapes, whose vines are managed according to sustainable agriculture principles, and which have been selected for their cool locations (north or west facing) to focus on the aromatic expression of these red grapes.

### Tasting Notes:

Pale pink in colour, Rosé D'Enfer is very different from other rosés on the market. It is lively and delicate, with irresistible aromas of fresh berries (red and blackcurrant) and notes of raspberry. A wonderfully round and fresh wine.
