Press Comments	Best Vineyard in the World - IWC, July 2020. "While several grape varieties (carmenere, tannat etc) have successfully migrated from Southern France to South America, none have acquired the star status there that malbec enjoys. Argentina's Mendoza region now produces dozens of malbecs including this especially satisfying, well-priced example. Dark with slate influenced savouriness, it brings rich, bramble and damson flavours partnered by suggestions of allspice, sage and chocolate with good acidity but little tannin." Brian Elliott, Daily Record, 2021.
