Price: £11.99
Product Code: SANT240

Description:

There are not many spumante style wines made from Grillo or from Sicily but we have found one, and it is superb!

Tasting Notes:

The Santa Tresa Grillo Spumante is really fresh, with a bouquet which reveals both citrus and floral notes. It is fruity on the palate, has great balance, soft and gentle, with a burst of acidity.

| Vinification: | The Grillo grapes are picked early at the beginning of August to retain the acidity level perfect for spumante. They are picked very early in the morning to avoid the heat of the August sun. In the heat of Sicily, it's important to keep everything cool - before fermentation the juice is chilled and the particles allowed to settle naturally to give a clear liquid for fermentation. Both primary and secondary fermentation take place in stainless steel tanks. The secondary is done very slowly, |
