Elegant, soft and yet intense Cabernet Franc

Tasting Notes:

Blood/ruby red, uplifted and fragrant nose, crushed blackcurrants, touch of mint, herbal, refined. Palate is quite sumptuous, with balanced tannins and a lovely freshness - quite weighty - there is a definite touch of cassis ripeness to balance.

| Producer Overview | Mathias Levron and Régis Vincenot took over Château De Parnay in December 2006. As soon as they moved in, they were able to make use of the experience gained at Château Princé, putting in substantial work both at the vineyard level (increase of the leaf area, trellising, control of yields, etc.) and at the winery level. They wanted to restore Château de Parnay to its former glory, inspired by their illustrious predecessor: Antoine Cristal. The property — located in the Saumur Champigny wine appellation — now covers 35 hectares. The vineyard consists of four plots of land, all located on exceptional clay-limestone soil. The first three plots are located in an area commonly known as la côte, an area straddling the communes of Parnay and Souzay-Champigny. Read more online |
