

## HOUSE OF TOWNEND

### Sloemotion Rhubarb and Raspberry Gin

Price	£39.49
Code	SLOE085

A delightfully subtle rhubarb gin; a colourful cousin to their Hedgerow Gin.

#### Tasting Notes:

Their Yorkshire roots brought them to rhubarb, an iconic local crop and much-celebrated taste. Careful not to let the tangy, sharpness of the crimson stems overshadow the hedgerow botanicals, and mingled with the pleasant fruitiness of raspberries.
