Smokehead Twisted Stout Islay Single Malt Scotch Whisky

Price	£54.99
Code	SMOK010

Smokehead Islay Single Malt Scotch Whisky, say hello to your new chest beating crew mate, stout. Fiery and peaty flavours laced with sweet, smooth chocolate aromas this is a pairing that'll put hairs on your chest. A single malt partly finished in stout casks. Unexpected. Unusual.

Tasting Notes:

The usual island intensity of Smokehead comes cloaked in sweet aromas of chocolate and treacle toffee. Maritime air meets a decent pint on the shore. Unexpected. Unusual. And unsettling for the senses. Hot and soothing at the same time. Salty smoke weaves its way around dry roasted nuts, toasted marshmallow, vanilla ice-cream and…. Is that someone putting a pot of fresh coffee on? New flavours unlocked on the finish with old favourites reunited, Wood smoke and spices. Malty, toasted biscuits. Zingy citrus. Dark and delicious. A fitting sign of from the twisted lovechild of whisky and beer.
