

HOUSE OF TOWNEND

Source de Roseblood Rosé, Côtes de Provence

Price	£17.99
Code	ROSE085

This organic Provence rose reflects a modern, finely tuned expression of Provencal rose. The cuvee sits within the Roseblood range and focuses on purity of fruit and a pale, elegant structure. Direct pressing and cool fermentation in stainless steel maintain clarity while lees contact adds gentle roundness and texture. The result is a balanced rose with lift, tension and refined drinkability.

Tasting Notes:

The nose shows wild strawberry, redcurrant and white peach with soft floral undertones, while the palate delivers citrus, stone fruit and red berry freshness with a crisp mineral edge. The finish is dry, clean and lively with lingering citrus zest and subtle saline nuance.
