An incredibly approachable, easy to drink semi-sweet red wine crafted in the ancient Alazani Valley, Georgia. Named after the famous Georgian toastmaster (Tamada) and a legendary folk artist (Pirosmani), this wine is a masterclass in harmony. It strikes the perfect balance between vibrant fruitiness and a soft, velvety sweetness that never feels heavy. Made from ancient grape varieties, it is rich with notes of ripe dark berries

Tasting Notes:

Ruby red with obvious blue and violet hues. Blackberry and dark cherry aromas with spicy black pepper. Blackberry is tasted through the entire palate. This wine has a rich but soft harmonic tannin structure, full and velvety, with a very long, inviting finish
