Tapatio Anejo Tequila

Price	£37.49
Code	TAPA025

Described by many connoisseurs as one of the world's finest sipping Tequilas, Tapatio Añejo is aged around 18 months in first-fill ex-Bourbon casks, six months longer than Mexican law dictates.

Tasting Notes:

Rich and spicy, but rounded on the nose. The time in a cask has sanded the sharper edges off the agave, leaving fruit and a more subtle and refined flavour. It's also picked up creamy notes as well as a hint of vanilla sweetness. The palate is weighty, but still elegant. It's soft, with nutmeg, cinnamon and clove balanced against the agave pepperiness, and complemented by sweet fruit and cocoa richness. A long and spicy finish, with herbal notes developing and fading to a chocolate-led end.
