## Taylor's Vintage Port 1992

Price: £149.00

Product Code: TAYL030

### Description:

Regarded as the benchmark for Port wines, Taylors arguably sits alone at the top of a very crowded tree when it comes to quality and structure of wines. Founded in 1692, this family owned company makes wines of great richness, robust firm character and ethereal character, capable of longevity and delectable richness.

### Tasting Notes:

"Wow. The nose is incredibly intense, a ravishing pot-pourri of scents: black cherries, raspberry, cassis and vanilla pod all with amazing delineation. I will have to employ my off used phrase - controlled opulence-. The palate is full-bodied with layers of pure black fruits with beautifully defined tannins, vibrant acidity, immense power but the same level of control. Pure blueberry, liquorices and crushed violets towards the finish with a citrus undertow...it will surely rank alongside the likes of the '35 and the '48 in years to come. An immense achievement."
