

HOUSE OF TOWNEND

That Boutique-y Gin Company Strawberry and Balsamico Gin

Price	£21.99
Code	BOUT045

A classic gin base acts as a canvas for the addition of fresh strawberries, strawberry and black pepper distillates and the very finest balsamic vinegar money can buy - Aceto di Balsamico tradizionale di Modena DOP, aged between 12 and 25 years in casks made from chestnut, cherry, oak, mulberry, ash and juniper.

Tasting Notes:

Aromas of dark red fruits mixed with the rich and mysterious darkness of the balsamic, creating a rich chocolate-treacle note. The palate has a delightful balance between the plump, juicy strawberries and the complexity of the balsamic, which provides some woodiness and a touch of refined bitterness, but minimal acidity.
