The King's Ginger Liqueur

Price	£27.49
Code	KING025

The King's Ginger was specifically formulated in 1903 for King Edward VII. Rich and zesty, the liqueur was created to stimulate and revivify His Majesty during morning rides in his new horseless carriage - a Daimler.

Tasting Notes:

Seductively golden in colour. An instantly warming aroma of ginger, zesty lemon, sherbet and golden syrup. Initial sweetness followed by bite of ginger and lemon tart on the palate. Deliciously satisfying and warming mouthfeel. Lingering and extremely long finish.
