Description:

Twisted Nose Watercress Gin is a small batch craft gin which combines ten botanicals including locally grown watercress. The name Twisted Nose arose from what the Romans understood watercress as, it was known as Nasturtium meaning 'twisted nose'.

Tasting Notes:

The watercress allows the spirit to be an intense flavour which is very fragrant and refreshing. It continues to then add herbaceous notes and a unique peppery sparkle. The other botanicals include lavender from Longbarn in Alresford, pink grapefruit and liquorice to create a gin that is unique and full of flavour.
