The Carillon family has been making wine in the village of Puligny-Montrachet since the 16th century, beginning with Jehan Carillon, who was a vintner in Puligny in 1520. After completing his studies at the winemaking school in Beaune, France, Jacques Carillon joined his father in the family vineyard in 1980. In 2010, Jacques and his brother split the Carillon domaine and he now farms his 5.25 hectares of vines with wife Sylvia. Produced from 7 separate perfectly exposed plots spread around the village totaling 2.7ha, with an average vine age of 40 years.

Tasting Notes:

The bouquet is impressively tight and lean, but the palate is quick to sing. An incredible density of pineapple and grapefruit, powerful and opulent with an amazing streak of steely acidity providing a perfect equilibrium. One of the truly great producers of this appellation.
