

HOUSE OF TOWNEND

FAMILY WINE MERCHANTS SINCE 1906

## Whitby Gin

Price	£40.49
Code	WHIT095

A small batch hand distilled gin. They fill, label and package each of their bottles by hand. A mix of traditional botanicals and locally sources botanicals.

### Tasting Notes:

Whitby Gin is a sweet savour gin. It is refreshing on the tongue with a lasting finish representing harsh North Sea crashing against East Cliff, the home of the Whitby Abbey. The lasting earthy finish signifies the range of the rolling heather moorland.
