Whitley Neill Gin

Price	£24.99
Code	WHIT015

Whitley Neill is a premium London Dry Gin launched in 2005 by Johnny Neill. It contains two African botanicals, Baobab fruit and Cape Gooseberries, that give the gin an exotic touch to the palate and sets it apart from others.

Tasting Notes:

Bottled at 42% ABV, subdued juniper and citrus notes come to the fore at first followed by subtle spice and complex finish.
