Specification	
Vinification	Grapes were harvested between 21˚ - 22˚B from a selection of vineyards. Gentle pressing followed by using a Pneumatic bag press to capture the delicate fruit component. The wine was made reductively to prevent any oxidation and to ensure that natural flavours of the grapes could be retained. Fermentation happened slowly in temperature controlled stainless steel tanks for 18 days at 13˚C.

Producer Overview	Robertson is nestled in a valley of abundance, from the sun-drenched mountain vineyards growing select varietals to plentiful river valley vineyards heavy with fruit. But more than the land and the climate, it’s the people who’ve always been generous. In fact, many of the farms and farmers have been supplying us for decades. And because the rhythms of the seasons inform everything that we do, the best grapes are picked at the right time, pressed, fermented and blended by our winemakers, the result is award-winning wines you can’t help but want to share.
