A real treat for chocolate fans, York Gin Chocolate & Orange is made in the city where the Terry's Chocolate Orange was invented and made for decades. The finest cocoa nibs (dried, roasted and crushed cocoa beans) and fresh oranges combine perfectly with York Gin's classic combination of nine original botanicals.

Tasting Notes:

Aromas of dark rich chocolate and vibrant sweet orange. The palate is dry with lightly spiced notes combined with vanilla and rich cocoa undertones, luxurious, smooth. Leading to a creamy long chocolate and lively orange finish.
