

## Rock Rose Gin

Price Code £37.49 ROCK070

Rock Rose gin gets its wonderful flavour from a carefully selected and put together creation of local and traditional botanicals. Each one meticulously chosen for their flavour properties to create the perfect taste!

## Tasting Notes:

Rock Rose Gin gets its name from the botanical Rhodiola rosea, literally a rose that grows in the rocks. The botanicals are foraged along the cliffs of the Pentland Firth. The flavour of Rock Rose is unsurprisingly a touch sweet, heathery and so unique.
